

ATELIER MEATS

Pioneering Designer Meat

December 1, 2021 – New Brunswick, New Jersey – Atelier Meats Corp. (“**Atelier**” or the “**Company**”) is pleased to announce it has launched a Series A financing round (the “**Financing**”). This Financing will allow the Company to move forward with its lab and R&D program for its mission to develop quality, lab-grown meats and further its business objectives.

Jonathan Gilbert, strategic advisor states “Atelier’s momentum and the initial investor interest is very exciting. This Series A financing will propel Atelier’s product development plan forward and give investors an opportunity to participate directly into this growing sector.”

The Company’s proprietary scaffold technology is the framework on which cells attach and grow and form the meat. The Atelier scaffold is a living scaffold containing key factors needed for cell response which mediates cell attachment, proliferation and most importantly cell alignment leading to a “structured meat”.
