

ATELIER MEATS

Pioneering Designer Meat

November 11, 2021 – New Brunswick, New Jersey – Atelier Meats Corp. (“**Atelier**” or the “**Company**”) is pleased to announce the filing of a U.S. Provisional Patent Application entitled “Methods and Compositions for Production of Cultured Meat”.

Dr. Mohit Bhatia, CSO and Co-Founder states “We are committed to developing our technologies and are pleased with this initial provisional patent application related to our proprietary meat scaffold technology. We believe our scaffold technology is cutting edge, allowing for high quality, structured meat to be produced, which will be a differentiating factor amongst other cultured meat brands.”

About Atelier Meats Corp.

Atelier is a biotechnology company dedicated to developing quality, lab-grown meats. Led by a world-class team, with proprietary patent-pending technology, Atelier’s mission is to produce healthier and environmentally conscious proteins for the world - without harming a single animal in the process.
