

# ATELIER MEATS

Pioneering Designer Meat

November 19, 2021 – New Brunswick, New Jersey – Atelier Meats Corp. (“**Atelier**” or the “**Company**”) is pleased to announce it has closed its initial seed round offering previously announced on November 16, 2021 (the “**Offering**”). The Offering will allow the Company to move forward with its mission to develop quality, lab-grown meats and further its business objectives.

Dr. Mohit Bhatia, CSO and Co-Founder states “We are pleased to complete this initial seed funding, which accelerates our development plan. Cultured meat is an exciting and emerging sector which has attracted significant investment and attention due to its potential to transform the food system and combat the climate crisis which is impacted by livestock greenhouse gas emissions.”

## About Atelier Meats Corp.

Atelier is a biotechnology company dedicated to developing quality, lab-grown meats. Led by a world-class team, with proprietary technology, Atelier’s mission is to produce healthier and environmentally conscious proteins for the world - without harming a single animal in the process.
